No. 1 Constitutional Amendment, Article IX, Section 4 and Article XII

Partisan Election of Members of District School Boards

A "Yes" vote would require members of school boards to be elected in partisan elections, with their political party designated on the ballot. This could trigger closed elections. A "No" vote would leave school board elections as non-partisan elections with no closed primaries, allowing all voters to vote for any candidate.

Yes

No

We recommend "NO".

No. 2 Constitutional Amendment, Article I, Section 28

Right to Fish and Hunt

Floridians already have the right to hunt and fish. This is sponsored by special interests and is a sneaky Amendment. A "Yes" vote could increase cruelty to wild animals including Black Bears, allow hunting on private property and in State Parks, and eliminate humane and proven conservation practices..

Yes

No

We recommend "NO".

No. 3 Constitutional Amendment, Article X, Section 29

Adult Personal Use of Marijuana

A "Yes" vote would legalize recreational marijuana use in Florida by adults 21 years old and older. Increased sales from a new recreational market would significantly add to tax revenues which could be used to fund a variety of other initiatives that benefit Floridians.

We recommend "Yes".

No. 4 Constitutional Amendment, Article I, New Section

Amendment to Limit Government Interference with Abortion

"YES on 4" A "No" vote would **not** provide a constitutional right to abortion before fetal viability and would **not** provide a constitutional right to protect a patient's health. This would leave Florida's current 6-week abortion ban in place.

A **"Yes"** vote ensures that Floridians and their healthcare providers, not politicians, are able to decide what is best for their own lives and bodies by limiting government interference with abortion. This would overturn Florida's 6-week abortion ban, which outlaws abortion before many women even realize they are pregnant. **Vote "YES".**

No. 5 Constitutional Amendment, Article VII, Section 6 and Article XII

Annual Adjustments to the Value of Certain Homestead Exemptions

A "Yes" vote would decrease the amount of tax dollars available for counties, cities and special districts budgets for programs and services. **We recommend "NO".**

No. 6 Constitutional Amendment, Article VI, Section 7

Repeal of Public Campaign Financing Requirement

See explanation below

ONLY VOTERS WHO RESIDE WITHIN THE CITY LIMITS OF PALM COAST

City of Palm Coast Charter Amendment 1

CHARTER AMENDMENT TO UPDATE PROVISIONS RELATED TO CITY COUNCIL'S CONTRACTING AUTHORITY

This change to the PC City Charter would take away the rights of citizens to approve certain fiscal limitations by referendum, and would, effectively give the City unlimited discretion on borrowing power, spending and leases.

Yes

No

PC is being sued about this right now, so this is all in flux. **Vote "NO".**

A "Yes" vote means that wealthy donors and special interest groups would no longer be limited in the amounts they can contribute to **Governor, Attorney General, Chief Financial Officer, and Commissioner of Agriculture** candidates.

A "No" vote enables candidates who are not wealthy or who have more limited access to financing to be able to run for office, leading to a more diverse pool of candidates. A "No" vote encourages candidates to seek support from broad groups of voters. **We recommend "NO".**
